**Faculty Development  
Program**

**on**

**“Quality Concepts, Quality Circles  
and Kaizen Methodology & Tools”**

**June 25<sup>th</sup> – 26<sup>th</sup> , 2018**

**Organized  
by**

**Quality Circle Forum of India -  
Tirupati Chapter**

**In Association with**

**Department of Mechanical  
Engineering**

**S V College of Engineering  
Tirupati**

**About QCFI:**

Quality Circle Forum of India (QCFI) established in the year 1982. The purpose is to propagate and implement the philosophy and system of "Quality Concepts". It has been playing a very significant role along with its 30 chapters across country, in establishing Quality Concepts through educating, training, conducting workshops and organizing National and International level QC conventions.

Quality Circle Forum of India -Tirupati Chapter was established in June 2015; it is a non-profit body to promote the various Quality Concepts like Quality Circles, 5S, kaizen, Six Sigma in the state of Andhra Pradesh, which consists of 75 Member Institutions and 634 life Members and Ranked 1 in terms of Memberships among all chapters in India.

**About SV College:**

SV College of Engineering (SVCE) and SV Engineering College for Women (SVEW) are part of the SV Colleges group established in 2007 and 2009 respectively with a vision to become a leader in providing quality educational services and create value by offering superior educational programs, supported by exceptional service and delivered with integrity. The colleges have a goal of evolving into a hub of academic research. The colleges are affiliated to JNTUA and approved by AICTE, New Delhi. The group offers UG Courses (CE, CSE, ECE, EEE, IT& ME), PG Courses (DSCE, VLSI, ES, CS, CSE, AMS, PS, MCA & MBA).

**About the Department of ME:**

The Department has highly qualified and rich experienced faculty with the aim of providing quality educational service. The Department has good infrastructural facilities and is equipped with full fledged laboratories and audio visual systems. The department focuses its research on Heat Transfer Enhancement, Alternative Fuels , Composite Materials etc.,

**Objective:**

- The primary objective of this program is to provide an excellent platform where Engineers and Technologists will be able to cordially exchange their views and ideas at the National Level for the benefit of humankind at large.
- This course essentially covers the basic requirements of Quality Concepts and different tools and techniques for a specific problem or process improvement.
- The essential objective this course is to create awareness with nth organization regarding various basic requirements for the development of Kaizen Methodology.
