Event Description:

Arts & Crafts club, SVCE with the support from department of English, organized one day workshop on **“Come along and learn New Crafts”** to promote interest and creativity and develop artistic skills in craft making among students. The workshop started with prayer song and lighting the lamp by the dignitaries. Guest of honor Dr. K. Suneetha Reddy, Head, Department of English explained the value and importance of crafts. The chief guest of the program Dr. N. Sudhakar Reddy, Principal, SV College of Engineering emphasized the necessity of developing artistic skills and how it helps students in their career.

The resource person Mr. N. Yugesh, Artist & Founder, Eesha fine Arts Studio, Tirupati elaborated the joy of art and explained the methods to be followed in art and craft making. The workshop continued with

making different kinds of crafts under the guidance and observation of the resource person. Students enjoyed the session and learned many techniques like how to make rough sketch and cutting the card boards and thermocol sheets to make impressive crafts, painting on crafts and toys made of water bottles for indoor decoration. Finally the principal Dr. N. Sudhakar Reddy distributed the certificates.

Targeted Audience:

1st, 2nd year EEE and CSE (AI&ML) Students.

Total Number of Participants: 50
