## Event Description:

Arts & Crafts club, SVCE with the support of department of English conducted one day **Live Eco friendly seed ball making workshop** for club members as well as entire college students, sponsored by **SPICES** an **AICTE** initiative organized by Arts & Crafts club. The chief guest Dr. N. Sudhakar Reddy explained how the nature is being destroyed with the name of development which leads to the percentage of trees is getting reduced and leads to ecological imbalance. Hence, we thought to support the nature to some extent with an idea of making 'Seed Balls'.

The workshop influenced the students much to know the value of trees and greenery. We dropped the dried seed balls in the deserted areas of our locality to grow trees seasonally. Along with the club members

other students also took part in this with great enthusiasm and made it a grand success. We bought two loads of fertile soil and 40 Kgs of variety seeds like Pipal, Tamarind, Neem, Banyan, Gift tree, Guava etc.

**Targeted Audience:**

1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> Year Students.
