Event Description:

One day competition on **“Reduce, Reuse and Recycle: Alternatives for waste management”** for club members sponsored by **SPICES** an **AICTE** initiative organized by Arts & Crafts club. The chief guest Dr. N. Sudhakar Reddy, Principal, SVCE explained the spirit of competition, the impact of waste material and how to manage it through reusing and recycling. The club members bought some waste materials to reuse such as tires, pots, plastic spoons, grass trays, card boards, old bike spares, empty banner cloth, CDs, Fevicryl Acrylic paints and brushes according to their ideas.

With the guidance of club faculty coordinators, students prepared different toys and crafts listed below:
A small tower with tires locating beautiful doll on the top, Photo frames, Tire clock, Ring bike, Canvas banner

with quotations etc. Students learned the techniques in making waste material attractive and reusing. All the club members participated actively and enjoyed the competition. Prizes were distributed to the best performers.
