## MESSAGE FROM HOD

*by Dr. S. Murali Krishna*

The newsletter which is being rolled out today marks the launch of an effervescent activity that would enable the Management to bring out to the eyes of the competitive world, the academic achievements of our prestigious institution. **SVCE** College of Engineering has grown in leaps and bounds, hurtling across barriers along the way. This has been made possible with the collaborative effort of the Management, the Staff and the Students.

I congratulate everyone for their commitment. It is my pleasure to congratulate the editorial board on this pleasant occasion of releasing the newsletter for the period JULY to NOV 2019. It is great to find a considerable number of winners and participants in co-curricular and extracurricular activities which certainly prove that our staff and students are adequately equipped and possess necessary quality skill-sets to bring such laurels to the institution.

I wish that this number may grow in the years to come. I am sure that publishing a newsletter of this sort containing the achievements of the **SVCE** family will be a recognition to them. I wish them all the very best for future endeavors.
