

6.5.1 Internal quality assurance cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and process

At the time of commencement of every academic year IQAC prepares the plan of action and ensures its proper implementation for overall development of the students. Quality assurance strategies and best practices to be institutionalized are discussed in the IQAC meetings and all decisions taken in IQAC meeting are communicated to the staff by the Principal.

Two institutionalized practices are

Students' Orientation Programme:

Generally At the beginning of every academic year, Students' Orientation Programme is held for freshers of each and every department individually. In this students orientation program HODs and staff are briefed about course structure (internal marks, credits etc) examination system program outcomes, various cells, library, NSS, sports etc.

AMPLE 2K21

Every academic year in the month of January, our institution have a culture of conducting the a national level technical meet to test and enhance technical skills of the students. In this program with the help student coordinators, our institution conduct the one day technical meet in their respective departments individually. Here it helps the our students to understand the technical concepts and also helps to learn the organization skills. Due to corona pandemic, this program is conducted through online mode.

Mpulse 2K21
