PACE (Professional Association for Communication Enthusiasts) is a vibrant student association established by the Department of Electronics and Communication Engineering (ECE) at SV College of Engineering. True to its name, PACE serves as a dynamic platform for ECE students to showcase and enhance their technical and communication skills. The association regularly organizes a variety of events, workshops, and competitions aimed at nurturing the professional potential of students and preparing them for future challenges in the field of electronics and communication

Events organized by the ECE Department under the PACE association over the past three academic years:
