7.1 Institutional Values and Social Responsibilities Gender Equity

7.1.1 Measures initiated by the Institution for the promotion of gender equity during the year

Gender equality is one of the key challenges facing society today. The institute conducts regular gender equity promotion programs. Guest speakers from prominent field are invited to speak on the given topic which highlights the importance and contribution of women in the society.

(a) Safety and Security

The institution accords utmost priority to the safety and security of not only the students but also of the staff, and ensures a fool proof vigilant system so that every student, especially girl students, will feel secured and protected to pursue their educational endeavours. In this regard myriad initiatives have been taken by the institution to foster gender equality and gender sensitization programs, thereby to ensure safety of girl students. To have a hawk eye, the institution installed CC (Close Circuit) cameras at key places in the campus and also in all the class rooms for a round the clock vigilance. In the beginning of every academic year personnel from “She Teams” are invited and an awareness program is organized to all the students on legal protections relating to girl’s security.

The institution has different committees such as **Anti – Ragging Committee, Students Grievance Committee and Discipline Committee** which are on heels to provide quick relief to the students and to ensure the maintenance of decent and moral atmosphere within the campus. The patriarchal society that we live has sown irrational gender prejudices which are deep rooted. Unless these misconceptions are eradicated all the attempts to bring gender equality will be futile. In this regard, the institution has time and again organized gender sensitization classes for boys and also telecasted movies like ‘Pink’ to have a deep impact in their way of thinking. The Women Empowerment Cell of the institution, by inviting the advocates and personnel from police department, has organized numerous programs to enlighten the girls on cyber crimes and the defence mechanisms against these crimes.

The institution feels that the security of the students not only includes physical security, rather it includes emotional security of the students too. In this regard, the institution is providing counselling to the students who are prone to depression and who have suicidal tendencies.

Separate hostels for men and women with dedicated wardens.

(b) Counseling.

- Grievance Redressal Committees for staff and students
- Gender sensitization camps in slums and rural areas of Chittoor district that include the

following aspects:

- Women's rights
- Human rights
- Child rights
- Gender justice
- Gender equality
- Gender sensitization workshops
- Specific courses dedicated to gender issues.
- Campaigns against female feticide.
- Medical Counseling, Moral Counseling, Career Counseling, Village Counseling,
- Vocation Counseling weekly through medical camps.

C. Common Room: A Common Room with an attached Wash Room is the primary facility required for the girl students to meet to their personal needs. As such the institution has provided a spacious Common Room to the girl students with adequate seating facility. News Papers and Magazines are made available to the girls in the common room. Besides the common room for the girls, there are separate wash room for boys and staff.

D. Other Measures

Other measures of Gender Sensitization include –

- Curriculum and Coursework.
- Co-curricular activities.
- Enrolment of 68% women students and 49% women staff
- In Our Institution 3 departments Hods are Women's.
