IP Awareness Program

(Under the National Intellectual Property Awareness Mission (NIPAM), the Government of India)

Organized by

Sri Venkateswara College of Engineering
(Autonomous)

Karakambadi Road, Tirupati-517 507

The IP Awareness/Training Program was held on March 1, 2023, under the National Intellectual Property Awareness Mission (NIPAM), the Government of India. Organized by Sri Venkateswara College of Engineering, (Autonomous), Karakambadi Road, Tirupati-517 507, Andhra Pradesh.

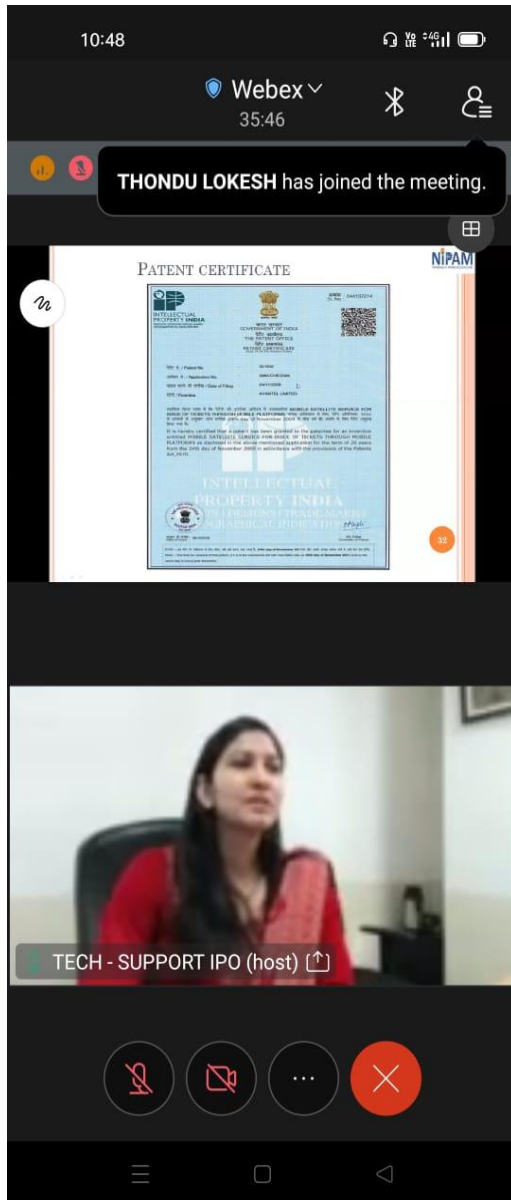

The main objective of this program is to create awareness on Intellectual Property among students and faculty members.

The program was inaugurated by the principal of Sri Venkateswara College of Engineering, Dr. N. Sudhakar Reddy, Dr. C. Chandra Sekhar, Professor, and Head R&D, and Dr. Nalla Bala Kalyan, Program Coordinator.

In this program, Priyanka, Examiner of Patents & Designs, NIPAM officer, Patent Office, Delhi, Ministry of Commerce & Industry, acted as a speaker. Priyanka started the session by giving a brief introduction to Intellectual Property.

The speaker gave very informative content by explaining the different categories of Intellectual Property, like- Patents, Designs, Trademarks, Geographical Indications, Copyrights. In the Question-and-Answer Forum, the speaker went through the questions of participants and clarified all the questions in an effective manner by giving realistic and practical examples and made the session interesting and interactive. In the valedictory session, the feedback from participants was taken. The feedback revealed that the session was very educational and inspiring. The program ended with a vote of thanks.

“Role of Entrepreneurship in getting Intellectual Property Rights” On 10th, November, 2022

An awareness programme on Role of Entrepreneurship in getting Intellectual Property Rights” has been organized by Department of Management Science in Sri Venkateswara College of Engineering an autonomous college in Tirupati on 10th, November, 2022. The resource person Mrs. A. Himabindu, Managing Director, Novel Patent Services brought awareness towards Entrepreneurship and Intellectual Property Rights among both Engineering and Management young buddies. She encouraged with her speech the students to be entrepreneurs and explain how entrepreneurship makes life better not only for ourselves, but for others as well. She remarked that Entrepreneurs have been instrumental in spurring social change and improving the way people live and work. They help raise the standard of living for everyone by creating jobs and making products safer, less expensive, and more functional.

The resource person also has given detailed awareness on the importance of Intellectual Property Rights regarding entrepreneurs. She mentioned that Intellectual Property Rights are important intangible asset in any company. It gives competitive edge in the market and protects from hackers and pirates. India is fast growing economy and innovation is becoming priority for Indian firms and the government, this innovation needs protection and for this IP is necessary. She explained the process of how to get Intellectual Property Rights. On this occasion the Principal Dr.N. Sudhakar Reddy wished bright future for students in the field of Entrepreneurship and Intellectual Property Rights. In this Programme, Head of Management Science Department Dr. P. Subramanyachary, Head of EEE Department Dr. V. Lakshmi Devi, Dr.S. Gautami, Dr. Y.P. Sailakshmi, Coordinator Mrs. N. Sairabhanu etc. are participated.
