INTERNSHIP COMPLETION CERTIFICATE

This is to certify that **Ms. Bathala Poornasree**, Reg No: 22BF5A0402 from **Sri Venkateshwara College of Engineering** who is pursuing **B.Tech (ECE)** has successfully completed her Internship on "**ECE (Embedded System)**". The duration of internship is from **14-05-2024 to 19-06-2024** and designated as Intern.

During this period, she worked on the various areas of Java and successfully met the objectives that were set at the beginning of the Internship. We found her extremely inquisitive and hardworking. She was very much interested to learn the functions of our core division and also willing to put her best efforts and get into the depth of the subject to understand better.

We wish her all the best in all her future endeavors.

Dear Sir/Madam,

Received a letter from Sri Venkateswara College of Engineering, Addressed to The Director NARL.

As per the consent of the Director NARL, We earmarked Friday, September 1, 2023 for 55 Students(max) and 2 faculty members' visit to NARL.

Administrative Officer, NARL is requested to kindly provide NARL entry pass for the staff and students of Sri Venkateswara College of Engineering on the name of Ms. B. Chandrakala and Mr. P. Sudhakar Reddy, faculty member, along with 55 students and 2 faculty members as per the attached list for entry into NARL on, Friday, September 1, 2023, 10:30 hrs

You may be aware that, NARL is on Tirupati-Chittoor high way 35 km from both Tirupati and Chittoor.

As soon as the students bus reaches NARL main gate, The visitors will be asked to show identity cards and they have to deposit their electronic items at main gate. Kindly show our e-mail communications to collect the entry pass at NARL main gate at the time of visit.

The tentative agenda of the students visit program is as follows.

10:30 - 11:00: Power point presentation - NARL introduction, Overview of NARL activities & video

11:00 - 12:30: Visit of Automatic Weather station & Balloon launch facility, Lower Atmospheric Wind Profiler, Data Center, High Performance Computing, VHF (MST) Radar, 50 mtr Instrumented Tower. (10 min at each lab.)

12:30 hrs: Departure.

Students may come with lab shoes without laces, as footwear to be removed at each lab.

All the members are expected to come to NARL with identity card.

Electronic gadgets are not allowed in to NARL.

For security reasons, NARL has CCTV monitoring coverage for all the campus.

All the visitors should wear mask without fail, sanitise their hands and undergo thermal screening.

NARL has right to postpone or cancel the visit permission, in case of any unforeseen developments.

Kindly ensure the time adherence, as another institute students visit is planned after 13:00hrs

Thank you,

Dr.T.K. Ramkumar, Scientist / Engineer - SF,

OVERVIEW: NATIONAL ATMOSPHERIC RESEARCH LABORATORY (NARL)

NARL is an autonomous research laboratory fully funded by the Department of Space, Government of India and involved in carrying out fundamental and applied research in Atmospheric and Space Sciences. It had its humble beginning in 1992 as the National Mesosphere-Stratosphere-Troposphere (MST) Radar Facility. Over the years several complementary techniques such as Rayleigh/Mie lidars, wind profilers have been added. NARL is administered by a Governing Council with Secretary, DOS as the Chairman and Director, NARL as member secretary. The Governing Council sets broad policy guidelines for NARL. A Scientific Advisory Committee consisting of eminent scientists in the field of atmospheric science monitors the research activities and progress of NARL and provides future directions.

NARL has now become one of the prime centers for atmospheric research in the country and operates a state-of-the-art MST radar, Rayleigh/ Mie Lidar, Boundary Layer Lidar, Sodium Lidar, Lower Atmospheric Wind Profiler, Sodar, Disdrometer, Optical Rain Gauge, Dual frequency GPS receiver, Automatic Weather Station apart from regular launching of the GPS balloon sonde. Being relatively young, NARL's research activities are spearheaded by a team of young and vibrant fulltime research scientists and students. This web site provides some salient features of the activities and experimental facilities available for national and international collaborative research work.

Respected Sir/Madam,

SV College of Engineering (SVCE) is a part of the SV Colleges group established in 2007 with a vision to become a leader in providing quality education. SVCE became Autonomous in 2020. The Department of ECE has highly qualified and rich experienced faculty with the aim of providing students, in-depth knowledge of all aspects of Electronics and Communications. The department has good infrastructural facilities and is equipped with State-of-Art Laboratories. The department focuses its research on advanced Technologies.

As a part of their curricular activity, the Students of III B.Tech I semester ECE of our College are interested to visit your Esteemed Organization (U R Rao Satellite Centre) on any convenient date in the month of **October or after 2nd week in November, 2023**. The total strength of students in the III B.Tech is 240 and they will be accompanied by faculty members. Hence I request you to give permission for visiting U R Rao Satellite Centre, Bangalore and extend the possible support to get acquainted with the things there.

Thanks & Regards,
