Roc.No.856/2018 B6(pts) Dt:19-04-2018.

-000-

**ORDER :-**

The Government of India launched the programme “Unnat Bharath Abhiyan (UBA)” with the concept of development of villages by involving technical higher educational institutions of the country. The objective of the programme is development of organic farming, renewal energy, creation of basic amenities, water management etc.

Accordingly, Sri Venkateswara College of Engineering, Tirupati has came forward for adopting the some villages in the district to participate in the development process of the Gram Panchayats of Chittoor District.

Sl.No.	Name of the Mandal	Name of the village proposed for adoption by the institute
1	2	3
1	Renigunta	Venkatapuram
2	Renigunta	Ankamanaidu Mitta
3	Renigunta	Karakambadi
4	Renigunta	Dodla Mitta
5	Tirupati	Bommala Quarters

And the Sri Venkateswara Engineering College for Women,Tirupati has came forward for adopting the following villages in the district to participate in the development process of the Gram Panchayats of Chittoor District.

Sl.No.	Name of the Mandal	Name of the village proposed for adoption by the institute
1	2	3
1	Renigunta	Annaswamyalli
2	Renigunta	Allimitta
3	Renigunta	Thinnmayagunta
4	Renigunta	Annaswamyalli ST Colony
5	Renigunta	Chennaigunta

Therefore, in view of the above, the above institutions i.e. Sri Venkateswara College of Engineering, Tirupati and Sri Venkateswara Engineering College for Women,Tirupati are hereby permitted to

## *Our Beacon's of Light*

*Swami Vivekananda, Youth Inspirator*

*Mahatma Gandhi, Father of Nation*

## **Foreword**

The NSS Unit of Sri Venkateswara College of Engineering has been trying to follow and nurture the ideology of NSS in a manner that ensures meaningful participation of all stakeholders. The activities carried out in Seven Day Special NSS Camp- 2024 have served as an eye opener for the young NSS volunteers about the contemporary problems that our country is facing. The special initiatives, lectures and activities undertaken during the camp have served as a milestone in fostering social responsibility and nationalism among young NSS volunteers. Sri Venkateswara College of Engineering has always had a strong vision and commitment toward the service of the society and its weaker sections. With deep sense of gratification, we take pride in the successful completion of the camp by the NSS volunteers of the College. Our NSS Unit worked on and off the campus with great enthusiasm and zeal. There are some remarkable social service activities done by the unit. For instance, plantation drives, blood donation camp, generating awareness about Corona virus and waste segregation, cleaning of surroundings by NSS volunteers, sensitization programs on sanitation, Eye camp, hygiene and cleanliness in adopted village Venkatapuram. The inculcation of these activities, we believe will go long way in dispersing the seeds of Clean, Healthy and Green surroundings throughout the nation through our NSS volunteers. We are pledged to social service and to take this initiative beyond the stipulated time frame. The principles on which NSS as an organization is built, has inherent characters in line with the cause of nation building through service. The activities done by the NSS volunteers during the camp helped them to equip themselves with an insight, sensitivity and close understanding of the problems that are faced at the grass root level. With the field experiences, our volunteers have learnt how to lead a life of dignity with positive mind set and contribute to the growth of Nation by one or the other way. The enthusiasm which our volunteers put their heart in to the NSS initiatives, this learning experience is bound to become movement in itself in the times to come.

We take this opportunity to express our gratitude to Dr.N.Sudhakar Reddy, our worthy Principal, for his valuable inputs, guidance and support throughout the year. We congratulate and extend our best wishes to NSS volunteers, teaching and Non Teaching staff who have made this journey a success due to sincere and sustained efforts and for their keen efforts to accomplish the targets in the planned activities.

**Sri Venkateswara College of Engineering**

## **Seven Days NSS Special Camp, March, 2024**

Special Camping forms an integral part of National Service Scheme. It has a special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with the community.

### **The primary objectives of the special camping programs are:**

- Making education more relevant to the present situation, to meet the felt needs of the communities and supplement the education of university/college/school students by bringing them face to face with the prevailing situation of the community.
- To provide opportunities for students to play their due roles in the implementation of various development programs by planning and executing development projects, which not only help in creating durable community assets in rural areas and slums but also result in the improvement of the condition of weaker sections of the communities.
- Encouraging the students and non-student to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline and healthy and helpful attitudes towards the community.
- Building potential youth leaders by exploring the latent potential among the campers, both students as well as local youth (rural and urban), with a view to involve them more intimately in development projects for longer periods. The local leadership generated during the camps would also be useful in ensuring proper maintenance of the assets created as a result of the camps.
- Emphasizing the dignity of labor and self-help and the need for combining physical work with intellectual pursuits, and encouraging youth to participate enthusiastically in the process of national development, and promote national integration through democratic living and cooperative action.

**NSS Special Camp**  
**18<sup>th</sup> to 24<sup>th</sup> March 2024**

**Proposal sent to NSS CO, JNTU Anantapur for approval on 28-02-2024**

<b>Date &amp; Time</b>	<b>Activity Planned</b>	<b>Outcome Expected</b>	<b>Remarks if any</b>
18-03-2024; 10:00AM	Inaugural ceremony	Registrations and guidelines about the camp activities.	
19-03-2024; 10:00AM	Mega medical camp	Basic idea on health profile and 200 people will be benefitted.	
20-03-2024; 10:00AM	ONE STEP Motivation session & Rally on Literacy	Students will have an idea on career counselling and future planning.	
21-03-2024; 10:00AM	Physical Fitness Program followed by sports & games	Idea on diet and importance of physical fitness in all aspects of life	
22-03-2024; 10:00AM	Hands on practice – Health and hygiene	Students will be able to know on the significance of hygiene.	
23-03-2024; 10:00AM	Swatch Bharath-Viksit Bharath	People will come to know about hygiene, cleanliness and impacts on environment.	
24-03-2024; 10:00AM	Prize distribution and Valedictory	Encouragement, self recognition and leadership qualities	

Acceptance from NSS CO, JNTU Anantapur to conduct the special camp.
