S V College of Engineering,

Tirupati, A.P. – 517507.

## Event Description:

Arts & Crafts club, SVCE with the support from the department of English, conducted one day competition on “**Exhibition of Household Items for Sustainable Environment from Waste Materials**” for club members. Principal Dr. N. Sudhakar Reddy started the programme motivating the students to empower the spirit of competition in exhibition. He explained the importance of sustainable environment and how to utilize the waste material for decoration and house hold items. Club coordinators initiated the conduction of exhibition. Students were divided into teams, implemented their ideas in presenting different items including crafts with the guidance of club coordinators. They exhibited the prepared items and crafts in and in front of the auditorium. Principal, Dr. N. Sudhakar Reddy distributed the prizes to the best performers.

**Targeted Audience:**

1<sup>st</sup> and 2<sup>nd</sup> Year Students.
