## Scheme for Promoting Interests, Creativity and Ethics among Students (SPICES)

All India Council for Technical Education (AICTE) offered financial assistance under the **Scheme for Promoting Interests, Creativity and Ethics among Students (SPICES)** for the Financial Year 2022-23 to Arts and Crafts club at Sri Venkateswara College of Engineering, Tirupati. The purpose of this scheme is to energize and position one of the clubs as facilitating entity for pursuit of individual's interest, creativity work, showcasing talent, networking and teamwork opportunities, social experience, organization and management skills and exposure to professional ethics.

Arts and Crafts club has taken initiative and conducted various events such as Crafts making workshop, Reuse-Reduce and Recycle: Alternatives for waste management, Seed ball making for ecological balance, Exhibition of house hold items for sustainable environment from waste material, Workshop on Painting and pencil sketching and Seminar on "Human Values and Professional Ethics". The events have been designed to bring out the hidden talents and skills of the students. Club coordinators took initiative and made the students to participate in all the events actively. All the events helped the students to develop artistic skills, organization and ethics. We are very much grateful to the AICTE for providing financial assistance and a great offer to showcase our students' talents.

The following are the reports about the events have been conducted in our institution.
